

## *Board Happenings*

### **2019 Board Officers**

At the January meeting the Board unanimously elected the following officers for 2019.

Lee Vasche – President

David Johnson – Vice President

Pat Clark – Treasurer

Philip Young – Secretary

### **Change of Date for 2019 Board Meetings**

The Board voted to shift the date for monthly Board meetings one week later to the 4<sup>th</sup> Tuesday of each month. Meetings have previously been held on the 3<sup>rd</sup> Tuesday. Holding meetings one week later will provide additional time for the Board and the Finance Committee to review monthly financial reports prior to the meeting.

### **Country Club Entrance Signs**

Following a survey of homeowners' opinion on how to reduce speeding in Mountain High, the Board voted to restrict access through the Country Club gate to homeowners only. New signs have now been installed that provide ample warning to the public that the Country Club entrance is private, and a code is required. The signs request that contractors use the Knott entrance.

### **Snow Removal & Cinder**

The HOA's snow removal contractor will now be spreading cinders twice per week on the persistently icy areas throughout Mountain High.

### **Volunteers Needed for Swimming Pool Committee**

Do you enjoy the Mountain High swimming pool? A beautiful, safe, clean pool house and swimming pool does not happen by accident. An active Swimming Pool Committee is essential to a successful pool season and several more volunteers are needed to serve on the committee. Please contact Philip Young, Board liaison to the committee if you are interested in participating!

## Community Notices

### PLEASE BE ON THE ALERT FOR PREDATORS

On January 29 an Alpine home-owner found a half-eaten deer in her backyard. It wasn't there the day before so this must had happened some time between dusk to dawn. We think it was probably a mountain lion.

Please be on the alert when you're out in the dark and especially if you let out your pets. Cougars, coyotes and foxes have been seen in Mountain High.

### SUMMER CONCERTS

With Winter waning, Spring coming and then Summer approaching another Season of Music is upon us!

Repeat performance of Michael John, Thursday, **June 20**. Then on Thursday, **July 18**, Lindy Gravell will be performing at Mountain High Gazebo. Save those dates Please!

Look forward to seeing you,  
Mike Garcia.

If you need your home painted, new or repaired deck, or general construction work, electrical, plumbing, granite or tile work, gutters or carpet cleaning, your dryer vent cleaned, or a small chip in your windshield fixed, auto mechanic, or tree service give me a call and I'll recommend a contact to call. These contractors have done work for us with very successful results. I receive no compensation. Dick McKeown, 541-388-7474
